Ottawa Branch August Newsletter – Save the date to meet and greet local candidates

Ottawa Branch election strategy

While you enjoy the summer, the Ottawa Branch volunteers are busy planning our fall election strategy. We will make sure that local candidates are aware of our advocacy priorities:

- Make retirement income more secure
- Implement a national seniors' strategy
- Focus on better well-being for veterans and their families
- Prioritize pharmacare

For more information, click on: [election 2019 priorities](#).

Our advocacy team, led by Leslie Lawry, vice-president has organized three afternoon **meet & greet sessions** for you to directly interact with local candidates. Full details and a link to register for these sessions will follow by email in early September.

In the meantime, please save these dates:

Meet & Greet candidates for these ridings

The Ottawa Branch extends sincere thanks to **Chartwell® Retirement Residences** – our generous sponsor for these three meet & greet sessions. In addition, Chartwell is working closely with us to make sure our advocacy messages reach retirees who live in the 13 local Chartwell residences.

Our advocacy team is also scheduling individual meetings with local candidates. We are grateful to the national office advocacy team for all their help with these activities.
